PROVINCIAL ORDINANCE NO. 06-111  
SERIES OF 2006

AN ORDINANCE ADOPTING THE LOGO OF  
THE PROVINCIAL  
CLEAN AND GREEN PROGRAM  
(Authored by Hon. Aloysius G. Kato)

EXPLANATORY NOTE

The Province of Benguet has been conducting the Search for Cleanest and Greenest Municipalities in line with its commitment for a sustainable environment as contained in the Local Environmental Code (Provincial Ordinance 04-91)

The response of the different Municipalities in the Province has been remarkably supportive and encouraging. With this, the Program should move to a higher level of not only as a competition but **as a way of life**. Indeed, this goal is best epitomized in the phrase "Benguet Clean and Green"

Moreover, this program is an effective assessment mechanism in the enforcement and monitoring of the environmental programs. Institutionalized towards this end, the Clean and Green Program is seen as an advantage and motivation for all.

As an environmental program, it conveys a battle cry that is basic yet relevant and focal. The battle cry of saving what's left of our Province should be echoed in all
